Please use the attached version for your updates.

**I have removed the yellow highlights and red text from
this report, for your ease in updating.**

Reminder of procedures: please prepare the current week's
report:

1. add yellow highlights to each box where you have text changes
2. mark all text changes [only the changed text, not the entire section] in red ... this will help me figure out what changes have

been made when I receive updates in one item from two organizations.

3. please ~~strike out~~ text you would like removed.

4. if the date has changed, please reposition the item so that it is in chronological order.
